

HEALTH & SAFETY 1.0 POLICY

It is the policy of Excel Church and Bilston Peoples Centre to comply with relevant safety legislation, appropriate approved codes of practice and recognised good practice guidelines.

We will work with the local fire brigade for fire safety and City of Wolverhampton Council for food safety to ensure that we comply with statutory requirements and recognised good practice.

We will maintain safety management records in order to protect the safety of our congregation, customers, visiting people and any other persons who could be affected by our activities, or the hiring of the buildings.

We will ensure that appropriate resources are made available to ensure that our safety standards are maintained. We are committed to the provision of training for our employees, in line with their duties, to allow all our employees and volunteers to effectively exercise their responsibilities in ensuring that a safe environment is maintained.

Individual employees will be encouraged and expected to take personal responsibility to ensure that appropriate practices are correctly implemented at all times. Excel Church and Bilston Peoples Centre will ensure that in and around the buildings that:

- Information, instruction and supervision if necessary, in safe working procedures and that those procedures are fully implemented in practice.
- That the performance of employees and volunteers in implementing of company safety policies is reviewed on a regular basis.
- That records are maintained to demonstrate that safety is being effectively implemented, reviewed and appropriate corrective action is taken when necessary.
- There are clear and effective lines of communication to enable all employees and volunteers to both be given information that will allow them to work safely and also to allow them to raise any issues that they believe may require action.
- There is sufficient availability of suitable resources to achieve positive safety management.

This policy, and the safety records system, will be subject to regular review (every three years) with the aim of seeking continual improvement in service to our congregation, volunteers, visitors and people who use Excel Church and or Bilston Peoples Centre in safety standards.
