# WHY SERVE AT EXCEL?

At Excel Church we believe that every individual has gifts and abilities given by God to be used to serve others. The Bible describes the church as a body. In the natural, all parts of the body have different roles to play. So it is in church. We all have a part to play.

There are lots of different opportunities at Excel Church to enable you to play your part. This booklet gives an overview of the volunteering opportunities available. If you need help to decide where you might best fit we run a course called 'Excelerate' which will help you discover your gifts and abilities. Please ask for more details if you are interested in attending this course.

Volunteering is a great way of making new friends and will help you to feel part of Excel Church family.
